

## **ROOM 13 ( YEAR 3) CYBERSAFETY BASELINE DATA**

### **Location of the computer at home**

11 out of 23 children have the computer in the living room

8 out of 23 children have the computer in a bedroom, 4 have it in their room the others are in their parents room

1 computer is in the kitchen

Only 3 children do not have a computer at home, one has a computer but it's only for his Dad's work use.

### **Internet Usage Rules at home**

- turn it off after you have used
- not to use it all the time
- no paying for games, must be free sites
- must ask before going on
- time limit only 35 or 20 mins
- no more than 3 hours
- no facebook
- can't talk to strangers
- do not go on You Tube x2

### **What to do if you see something rude or mean**

- tell mum
- click on the player and click banned ( club penguin)
- go back and go on something else
- quit that site, log off, get off the computer x10
- delete it, ignore it or exit out of it
- go and tell Mum or Dad or sister or Aunty that something has popped up x4

### **Any advice you would give about keeping safe on the Internet**

- Don't tell people your address or your name
- Be good and nice
- I don't know x 19
- Don't talk to any strangers or click on anything you don't know
- Go on good site and games
